CODING 2010 AND BEYOND

Join the Ambulatory Surgery Foundation for this year-end conference containing the most up-to-date ASC coding and billing information found anywhere.

For the first time ever, there is a full day focused on Orthopedics, Pain Management and Spine coding. Alternatively, you can choose a full day of basic or advanced information.

In addition to the tracks, we have a day dedicated to General Sessions covering the most up-to-date Medicare reimbursement policies and NEW codes for 2010. You will also hear updates on ICD-10, new coding rules and audits.

Join staff from the ASC Association as well as three highly rated speakers from the ASC industry.
